Specify*

We need to acquire and test a cream type of product for vegan and cellular-based Seafood Bisque Milk might work

We also need a Flora butter product as in seaweed butter that is a base to our bottled Bisque

How would you propose using Perfect Day protein in a product?*

My Blog :)

<https://yellowdragonblog.com/2019/07/20/plant-protein-cellular-agriculture-value-added-canned-soup-product/>

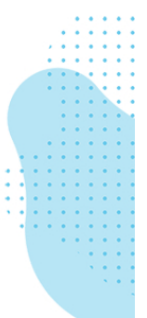

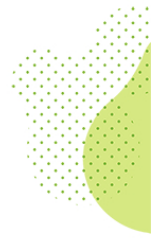

Please give a sense of your timeline. When do you hope to start, and when would you need to receive protein by?*

based product in my kitchen if you like

Make a youtube video with links to your products. I live in low-income housing in the Tenderloin so soon we will have a community food entrepreneurship incubator set up at the old post office A small canning operation there combined with a food truck Soup kitchen are some ideas

Please describe your market, both demographically and geographically.*

In the beginning, it could be a farmers market product but the

How would you go about getting product manufactured? Distributed?*

There are manufacturers that will make your moms' BBQ sauce and bottle and label it for you that might be a start

Do you have access to funding?*

not yet
